

GuardTek

SuperSkin Half Coat

Code # 34-324HC

Product Description:

GuardTek® SuperSkin Half Coat Gloves for tasks requiring coverage on back of fingers and knuckles. New sports inspired lycra/spandex seamless knit liner coated in patented micro-porous nitrile.

- **Precise Fit for Every Hand**, movement activated technology allows the glove to mould to your individual hand shape.
- **Breathable Micro-Porous Nitrile** coated palm and fingers for exceptional tactile sensitivity and maximum dexterity.
- **Anti Microbial Infusion** with high water vapour transmission keeps hands cool and hygienically dry.
- **Abrasion and Tear Resistant** to a higher level than traditional leather gloves while providing an un-restricted "second skin" fit and feel.

Applications:

- Automotive Assembly
- Metal and Timber Handling
- Mechanical/Maintenance
- Building/Construction
- Mining and Exploration
- Shipping and Warehousing
